Text Messaging Form

Use this form to add an e-mail address to your department's event notification function. Once a call is entered into our CAD and your department is assigned to this call, an automatic page will be sent to any e-mail addresses listed in your department's file. Please keep the following in mind:

- **There may be a cost involved in receiving text messages, each department and or member is responsible for any costs associated with any messages received.**
- **This is not the primary means of communications. All calls will be dispatched using our normal protocol.**
- **Any department vehicle that is entered into a call will generate a text message. This may include stand by, mutual aid request (even when your department doesn't respond), vehicle out of service due to a drill, etc.**
- **Each agency has a limited number of page recipients.**
